

# DA ACADEMY

The DA Academy is part of our commitment to clients / introducers and stakeholders who invest their trust in us continuing to provide a high-quality service. Our ongoing learning programme for staff keeps us at the cutting edge of our professional specialist area. Many of our internal workshops are open for external stakeholders to attend and join in.

We encourage collaboration and continuous professional development as a key part of our firm's strategic development. Our DA Academy forms part of our investment in our people, enhancing knowledge and understanding of our specialist area, enabling our team to provide expert advice and information on our range of services.

Our ongoing programme of learning and development builds continuous improvement within the firm and is specifically designed to assure and maintain service excellence from start to finish.
